GTM 2010 Set to Charge Through Five States and Territories this May With One Bullistic Line Up!

BENDIGO VIC | TOWNSVILLE QLD | MAITLAND NSW | CANBERRA ACT | BUNBURY WA
MAY 2010

Like a bull at a gate **GTM** is ready to charge into both familiar territory and territory never ventured before, rumble with an incredible array of Australian and International artists and put on five spectacular shows like no other music event in Australia.

A one day explosion of carnival and cavorting under the sun, clouds and moon, in front of a magnificent outdoor double stage, and in one of the biggest dance tents around, **GTM** is Australia's only touring music event to feature regional cities in the tour diary.

"2010 is a really exciting year as we welcome two new cities to the **GTM** family. The line up is incredible - iconic Australian acts, fantastic internationals, ARIA winners and nominees galore, the Moolin Rouge dance tent that thumps all day, plus a selection of artists who we think will be headliners of the future. What more could you ask for? The **GTM** vibe is something special - must be that country air," said Stephen Halpin (GTM Promoter, Cattleyard Promotions)

In the oldest sites **GTM** is a part of the furniture and we are told our guests can't imagine the place without it. Wherever **GTM** visits the crowd is part of the show, proudly welcoming all tribes to come together, all the revellers and punters have an infectious groove going, and the fever catches. The **GTM** crowd is big enough to go bang, but not so big that there is no room for interpretative dance moves. As the sun goes down on life as usual the memories of **GTM** will not be forgotten in a hurry.

In 2010, **GTM** proudly presents a sonic smorgasbord for your delight in **Bendigo (VIC) 1 May, Townsville (QLD) 2 May, Maitland (NSW) 8 May, Canberra (ACT) 9 May and Bunbury (WA) 15 May** featuring.....
